

Everything I need to know about life, I learned from Noah's Ark

One : Don't miss the boat.

Two : Remember that we are all in the same boat.

Three : Plan ahead. It wasn't raining when Noah built the Ark.

Four : Stay fit when you're 600 years old, someone may ask you to do something really big.

Five : Don't listen to critics; just get on with the job that needs to be done.

Six : Build your future on high ground.

Seven : For safety's sake, travel in pairs.

Eight : Speed isn't always an advantage. The snails were on board with the cheetahs.

Nine : When you're stressed, float a while.

Ten : Remember, the Ark was built by amateurs; the Titanic by professionals.

Eleven : No matter the storm, when you are with God, there's always a rainbow waiting.
